SPECIAL THANKS

- to the many groups and writers who provided the ideas for our words today, particularly to First Unitarian Church of Dallas, Texas, for the Litany of Dedication. And to Lori Pederson, UUA Trustee, Reverend Holt, and Reverend Ellen Dohner (UU Community Church, Park Forest, IL) for their suggestions and help.
- to Emil Gudmundson for his aid and enthusiasm during our housing decision-making.
- to the Housing Search Committee, especially Michael Patrick for untiring efforts and their success.
- to the Unitarian - Universalist Association for aiding us with a low-interest mortgage that made our housing commitment possible.
- to our many local friends, and to those members and friends who are now distant from us, for their enthusiasm and financial support.
